FLAGS & FEATHER BANNERS

** Camera ready file needed or Artwork charge applies*

FLYING BANNER DISPLAY

Impress your customers by offering them these unique attention getters for their next event. The distinctive shapes give the message maximum impact and their ability to rotate ensures there is little chance of blowing over. The Feather works great for simple messages and logos. The Messenger has an extra wide area perfect for more detailed information and indoor use. The Blade stands a full 12' tall with a long narrow banner face ideal for presenting stacked graphics. All varieties come complete with a collapsing cross foot with water bag and carrying case. Check out the bases below for even more display options.

Sizes & styles subject to availability

** Ask for Current Prices*

Displays include base, water bag & carrying case

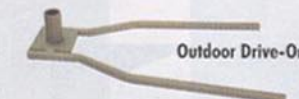

Imprinted banner made from Dacron polyester, digitally printed graphics single-side correct back reverse.

FLYING BANNER DISPLAY BASES

The wide variety of bases allows you to display your Flying Banners on all types of surfaces indoors and out. Match any of them with any Flying Banner Display.
